Honored with title «Businessman of the Year» (2003). Author of two patented inventions.

It is a complete underground town located on the territory: of old stone quarries, where natural limestone was mined. It is the largest storage of wines in the world: length of adits - 200 km (50 km of which are brought into use); depth - 55 to 75 m; constant temperature - plus 12-14 degrees; humidity - 85-95%. Nature itself had created here ideal conditions for bunches of grapes ripened by sun to be transformed into noble drinks with rich taste and flavor. The Parliament of the Republic of Moldova declared, by the law, the integrated plant of quality wines «Mileștii Mici» a national property and an excellent visit card of our country. In 2005 the SEIPQW «Mileștii Mici» obtained the international management certificate of quality ISO 9001:2000. «Mileștii Mici» works with classic varieties only - Cabernet, Pinot, Merlot, Chardonnay, Sauvignon - under classic technology with 2-3 years of maturing in oak barrels. Today, there are more than 40 wine titles of various design in assortment. In the visible future, new raw materials base will appear for the enterprise it is planned to establish vine plantation. In 2005 there were planted 46 ha of vine stocks. In 2006 it is planned to increase the plantations with 37 ha. It will allow to make production cycle completely closed, to decrease prime cost and to increase competitiveness of own wines. «Gold Collection» numbering more than 1.5 millions of wine bottles, the oldest of which has 35 years of maturing, is a main pride of the Integrated plant «Mileștii Mici». On August 15(h 2005, the Gold Collection «Mileștii Mici» was included in «Guinness Book» for the greatest bottled wine collection of the world wide. «Mileștii Mici» wines represent Moldova with dignity at wine-making fairs, exhibitions and festivals held in major centers of the world. The great success achieved by «Mileștii Mici» in the last years counts over 70 medals, obtained at the most prestigious competitions and exhibitions, including international contest in Brussets. At the first international competition «Interdrink» (Moscow 2005) the SEIPQW «Mileștii Mici» had been conferred two gold medals; brandy «Mileștii Mici» obtained «Grand Prix» and the special premium «Journalist's sympathy». Products under «Mileștii Mici» brand enjoy popularity not only in Moldova. Most part of export is related to Russia, part of products is shipped to USA, Czech, Poland, Greece, Byelorussia, Ukraine etc. Wine from «Mileștii Mici» will decorate any table and satisfy the most refined tastes. «Mileștii Mici» is a place where You are always welcome.
